Mayor Francis G. Slay
1200 Market Street #200
St. Louis, Missouri 63103

Your Honorable Mayor –

I am the camp commander of U. S. Grant Camp #68 - Sons of Union Veterans of the Civil War. I am writing you in regards to the information I have read in the paper and on line about the efforts to remove the Confederate Memorial that is currently in Forest Park. It stands as a reminder of the past. And that is all it stands for - the past. The idea behind the monument was defeated by the Boys in Blue. We can't change history – our nation fought a War of the Rebellion from 1861-1865. The outcome of that Rebellion freed those that were held in bondage. I can understand the point of those who wish to see it be dismantled and put somewhere else - but at what cost? When I read the figure of over \$120,000 in the paper I was rather taken back. That is a lot of money to hide the past. The funds that could be spent on removing the monument could instead be spent in other ways to promote healing in the area. It was mentioned in one article that an interpretive plaque should be put in front or next to the monument where ever it ends up – place that plaque where the monument currently stands.

Thank you for your time in this matter – just wanted to pass on **my feelings**.

February 10, 2016

Department of Missouri – Sons of Union Veterans of the Civil War

To the Honorable Commander of the Department of Missouri – Martin Aubuchon – and brothers of the Department of Missouri, Sons of Union Veterans of the Civil War

Let it be known that at our last U.S. Grant Camp #68 meeting held on February 8th 2016, a motion was made and passed unanimously by the camp membership present for the following resolution to be brought before the Department of Missouri for its consideration to change the name of one of the Department Missouri Awards.

As you are aware Columbia Tiger Camp #432 member and Past Camp Commander of the Gen. Asboth Camp #5, Brother Wayne Sampson, passed away on February 1st 2016. His dedication and devotion to the order and his ability to reach across to our Confederate cousins should not be forgotten.

That is why we, the members of U.S. Grant Camp #68 – St. Louis, Missouri - Department of Missouri - Sons of Union Veterans of the Civil War, propose a resolution to the Department of Missouri that the **Show Me Spirit Award** to be renamed - the **Wayne Sampson Show Me Spirit Award**, and that this resolution be voted on at the March meeting of the Department of Missouri SUVCW.

We also request that if such resolution is passed - that the family of Wayne Sampson be contacted and made aware of the Department of Missouri Award's name change in his memory.

Thank you for your consideration of this matter.

RESOLUTION

Whereas, at the 2015 National Encampment, a motion was passed to donate residual Memorial Grant funds each year to battlefield preservation efforts within the National Park Service, state parks and local sites.

Whereas, the National Park Service requires significant financial resources to cover Civil War battlefield preservation needs and does not have the financial resources to cover all of these needs.

Whereas, the National Organization, Sons of Union Veterans of the Civil War, has applied for 501c3 status and has a need to increase the amount of charitable contributions above and beyond current levels in order to satisfy the Internal Revenue Service.

Whereas, "Preservation" is a key element of the SUVCW brand, and specifically, battlefield preservation is a key preservation initiative under the Vision 2020 strategic plan.

Be it resolved that the National Organization, Sons of Union Veterans of the Civil War be directed to expand approved battlefield preservation efforts and establish a formal battlefield preservation program, including its own fund, with the purposes of providing annual contributions to the National Park Service to (1) support battlefield preservation efforts, (2) increase the percentage of financial resources considered charitable by the IRS and (3) address a key initiative under the Vision 2020 plan.
