Good of the Order

Send Walt if interested in helping out at encampment for good of the order.

Marty Aubuchon reports that the marker we would like to have to honor the 1887 GAR Encampment placed at St Louis Old Courthouse probably won't happen. He suggested that we might be able to put it at the Missouri History Museum at Soldier's Memorial. BUT WALT WANTS TO KNOW IF THE SOLDIER'S MEMORIAL EVER REPOSTED THE LGAR PLAQUE INSIDE THE MUSEUM AS THEY PROMISED. If they haven't, why trust them...**Walt brings up suggestion** that we check with City Street Department and City Hall about putting marker in the sidewalk there and at the missing marker of Grant's St Louis Home

John Avery – keep Country and Constitution and preservation of our Union in our prayers.

Old Business:

Don Palmer - The Christmas dinner will be at the Greenbriar. Reservations made for Tues. Dec. 7. Will not charge service charge do to the mistake in 2019.

SVR - Dan asked if there was enough people to join. Marty said yes and forms were mailed off. There are 11 members. We are in the 4th military district. Need more people so we can have more officers. "2nd Missouri Volunteer Infantry (1861)", Co. B. EIN filed by Walt.

JROTC - John Avery contacted all schools. Most will be virtual ceremonies. The certificates and medals will be mailed to instructors by April 1. Marty asked if the AFROTC was contacted at SLU. Yes, John said. Matt said that Lafayette is vetting their students now and will be contacting Marquette. John asked that Marquette contact him.

Mark - His son is in the Missouri Baptist scout troop, which had 13 female Eagle scouts. One is the daughter of a member (Jon Pennington). Mark would like to know if they would like to be an honor guard at their Court of Honor. John has challenge coins and certificates. John knows John Klaus, the executive with Scouting USA, he will try to get our information in the leadership packets, so we can participate more.

We went through who had shots and who hasn't. Don and Sumner are the odd men out.

Mark E. & Mark C. just became life members. YAY!

Logan Brigade members. Marty reminded everyone that if they wanted to be a charter member, you have to join by the end of the month. Look at the Logan Brigade Facebook page. Sumner explained that the Brigade is associated with the Women's Relief Corps, an Allied Order of the G.A.R. [Sumner & Walt are already members.]

Mark C. will work on having a new badge for the incoming C-in-C.

Bob A. will be at the Intervets meeting this Saturday to talk about our participating in Memorial Day services at Jefferson Barracks. [JB has since been cancelled]

Marty said we are good to go with the Grant's Remembrance Day with firing salute. Will get Doug Hardy out to be qualified safety officer that day?

Mark C. gave the closing prayer.

Motion made to close the meeting by Mark E. Greg seconded. Meeting closed at 7:49 p.m.

Secretary.Treasurer Report for April Meeting

1. Walt found that several soldiers named Ewig from the area of Germany our member Gerhard Ewig lives fought as Union soldiers as Pennsylvania units. He is trying to get information to see if he can be a full member rather than an associate by claiming an uncle's service.
2. Walt still on vacation so will miss the April meeting, but will be back for the May one.
3. Some checks are being held for the Camp by Marty Aubuchon and Sumner Hunnewell pending my return so those will not be reflected in the treasurer report.
4. Walt and Greg Wolk working on a new Grant in St Louis handout that could be used at the national encampment. Commander Amsler has approved Grant Camp spending \$200 to produce it and get credit in the book for doing so.
5. Walt trying to get Greg Wolk to send him the original article he had published in *Kentucky Heritage* magazine so we can post it on our website.

6. Craig Mathews has sent in info to national for supplemental memberships and it was sent to Gary Scheel by mistake. I will work on correcting this when I get back.
7. Walt submitted the 1st Quarter Grant Camp Report to the Department on 4/3/2021.
8. Got all info up and running for our 2nd Regiment, Missouri Infantry, Co. A (1861). 32 members so we get a captain back and a 2nd Lt and several sergeants and corporals.
9. Walt recorded the Major General Reno monument in Reno NV this month.
10. I have no record (unless it is in the mail waiting for me) of the following people signing back up as members:
 Thomas Taylor
 Michael McKeever (has contacted me and should be sending in)
 Brent Canterbury (contacted and said he would pay, but haven't heard since)

Also Larry Van Behren died during the past year. I believe one of these will renew, and we have two members who lapsed and have signed back up, so if that is correct, we will lose only one member from the past year's roster.

Grant Camp 68 SUVCW Meeting

13 April A. D. 2021

Grand Slam Restaurant & Bar, Fenton

Present: Bob AuBuchon, Marty Aubuchon, Mark Coplin, Vincent Heier, Sumner Hunnewell, Bob Petrovic, Greg Wolk

The meeting was opened at 7:10 p.m.

Fr. Heier gave the invocation. All present gave the pledge of allegiance.

A motion was made to wait until the return of Walt Busch before the reading of past meeting minutes and treasurer's report. Motion passed.

We discussed the National Encampment. We may need more bags but are waiting on the DUVCW and whether they will pay \$700. The SUVCW national encampment meeting room will be set up with the national officers in the front and attendees facing the front. The Missouri department commander will bring greetings to the DUVCW at Joan's request.

We discussed the Lincoln Tomb Ceremony. MOLLUS donated \$1100 toward the effort, the first time in modern memory. The band has been procured. The uniformed parade will be at 9:45 a.m. and wreath laying at 10 a.m.

We were unsure what to do on Memorial Day since JB has been shut down for a large ceremony. The Fletcher Camp will be putting out flags at the De Soto Cemetery. Mark Coplin suggested that we hang out at the Civil War museum at JB and recruit. He will contract Mike Trout.

On July 23rd, there will be an in-person / online Grant Symposium.

Under New Business, Mark Coplin talked about the Scouting USA courts of honor for some of the first local women who have become Eagle Scouts. They are looking for a time to host the courts of honor. John Avery would make certificates to present.

Hello all- At last night's meeting we talked about doing something for Memorial Day. Suggestions included going forward with what we do and have a ceremony at the Union section of JB. Also going to DeSoto. I mentioned that maybe we could do some type of program or help at the Missouri Civil War Museum. I have contacted Mark Trout. Included is his response. He is interested in doing something like this. So if you interested let the camp know. Thanks Mark Coplin PCC

There was talk from Bruce Frail about an Endowment Foundation and the building of a National HQ. National wants to start a food drive competition.

For the Good of the Order, the Grant Camp Facebook page received an advertisement or invitation for a luncheon on Friday April 23 that would include a decedent of Ulysses S. Grant and Jefferson Davis.

Fr. Heier gave the closing prayer and the meeting was adjourned.

We have 2 associate members, 10 life time members.

Was contacted by Greg Thayer ozz@usa.net about joining and he may be at this May meeting.

Have not received any communications about Memorial Day other than Mark's comments above. If we can't decide anything tonite, we need to fall in with another camp at their event and bolster their attendance numbers.

US Grant Camp 68 MO-SUVCW
General Meeting Minutes
8 June 2021
Grand Slam, 519 Mae Ct, Fenton, MO 63026

Present: Sec-Treas Walt Busch; Bob Petrovic; PcinC Don Palmer; Bob Aubuchon; Tim Morrison;

Meeting opened at 7:11 pm with a prayer led by our Walt Busch and pledge by PcinC Palmer. Secretary-Treasurer Walt Busch as the senior officer led the meeting.

Minutes approved by motion by Bob Petrovic with second by Don. Secretary-Treasurer report approved on motion by and second by same with the treasurer report subject to audit.

SECRETARY-TREASURER REPORT FOR 6-8-2021

Memorial Day 2022 - Walt spoke to Dan at Bellefontaine Cemetery about maybe holding an event there. Dan sounded very agreeable to this. With JB messing around all the time, maybe this is an appropriate move. Dan said that musket fire and cannon fire can be a possibility as long as planned prior to the event. Walt thought we could hold event at 12 noon which may not be too competitive with JB's event (if they have one). We could then also advertise it as a Civil War event, but may be able to get some VFW or Legion Halls up north involved. The earlier we begin planning this the better.

Another option is the Soldier's Memorial – Downtown. I have concerns with this one as we may have to speak out that they have yet to replace the LGAR plaque honoring the GAR in St. Louis that use to be in their museum.

[All present at 6-8-2021 meeting that we should have our own event]

Several Grant Camp members attended, wearing badges, various camp memorials. I attended the one at St. Mary's, MO, cemetery. Sumner and Marty attended too and also Fletcher Camps the next day. Bob Aubuchon was also at St. Mary's. John Avery was in GAR suit at the Manchester, MO ceremonies and Gregory Wolk was at the one in the Alton, IL area. All have pictures posted on the department website.

1. Mark Coplin made great flag display cases. Brass plate for one to be given in July at Grant Day has been ordered. One brass plate for national encampment to be ordered.
2. Aussie's nametag ordered. Still holding Tim Heggemeier's .

Commander's Report: None. Commander Amsler didn't advise that he was not going to be at the meeting. We figured out that he was going to the ballgame instead.

SVC Report: Sumner reported before the meeting to Walt that he would be attending the Grizzlys' game tonight.

JVC Report: Craig reported before the meeting to Walt that he had been in the hospital and while feeling better would not be going to the meeting tonite.

Department Business: Our former PCC Gary Scheel is Commander and our current Commander is the Senior Vice Commander. Meeting went well, but all agreed that lunch should have been brought into the building as lunch took too long and as such some business had to be passed over. Mo Civil War Museum was nice venue.

BUSINESS:

1. Brother Joe Miller who had to quit his fireman's job due to bad knees is now blind (or near blind) in one eye. A gofundme page has been started for the excessive medical bills.
https://www.gofundme.com/f/helping-joe-with-medical-bills-and-expenses?member=9405898&utm_campaign=p_cp+share-sheet&utm_medium=copy_link_all&utm_source=customer

Walt asked if anyone else would want to donate and received some money. He advised he would be getting with Father Heier to send the funds.

2. Walt has a coupon for \$5 off at Michaels and wanted to know if everyone thought he should get two more triangle flag holders if he could get the two for one price plus the \$5. All agreed. All thought Mark Coplin's work was great and Walt showed the plaque we are affixing to the 1st flag holder [coupon expired day of meeting so missed the opportunity].
3. Marty Aubuchon said he thinks we ought to switch back to Mondays. He said this in an e-mail and was not at the meeting. Walt said he was tired of looking for places so if anyone wants to find a place and report to the group as to how it would meet our needs we could consider it. Most present would prefer going back to Mondays.
4. Grant Remembrance Day – Marty in charge. No update. July 23 – 10am-3pm Grant Symposium
July 24 – Grant Remembrance Day at US Grant NHS, White Haven
5. 56th US Colored Troops – Walt in charge but no real update. Mo Civil War Museum will hold event for us if Jefferson Barracks Cemetery not available. Date is August 29 2pm. Bob Aubuchon wants to speak to JB director and Walt does too. Maybe doing a double team.
6. Sherman Day – October 24, 2pm Walt in charge initially. Need speaker and need to get with cemetery.
7. CRA Conference – October 1 & 2 at Murphysboro IL. Home of General John Logan (and his museum). Several members attending.
8. Christmas party held on December 7, 2021 starting at 6pm at Greenbriar Country Club. Who is getting/volunteering for speaking. Our website has the incorrect date. It says Dec 8, but the 7th is confirmed as correct.

Meeting pretty much ended here, but we continued since most are involved in the National Encampment, some planning continued. Along with our laments that people didn't show up. Walt had to console himself with another dragonberry mojito (ah, well!).

Meeting officially ended at 8:29 pm with Walt closing it with prayer.

In Fraternity, Charity and Loyalty!

Secretary – Treasurer Report

1. Sent \$100 worth of money to Joe Miller from 4 members of our camp. 7/1/2021. Joe sent thank you saying that it is appreciated as he tries to rebuild his life.
2. Grant Camp Ads are in the National Encampment Program Book for our sale items and as a congratulations to the commander.
3. We need to have a commander gift for the encampment. I recommend sets of Grant coins given to the C-in-C and to the ASUVCW President.
4. We have two Sherman flag holders made up for presentations. One at the Grant Symposium and one at the National Encampment, pictured below.
5. PCC David Busch, my brother, passed away sometime between June 29 and July 6, still to be determined. His wife who is mentally challenged was found in the house malnourished as she didn't have the capacity to dial 911. She is currently in Barnes Jewish. Please pray for her.
6. A Copy of our current property is attached to this report.
7. July 11 – Processing membership of Noel Stasiak into our camp. Noel is a former Member of Sherman Camp. He is also joining our SVR Unit. Noel was the commander of the camp in 2017, so I will be inquiring on if it is possible to restore rights after being discharged.

6. August 28 – Artillery School at Beaufort
7. Sept 3 – Cleaned Up (Cut Weeds) at Inks Cemtery
8. Sep 5 – Monument Rededication near Booneville

General Business:

\$100 Loyalty Bond: After discussion, the camp voted that they wanted their loyalty bond back as our funds are lower than those of the department (especially since the encampment) and if needed we could always vote to give them money again.

Walt asked if anyone wanted to help or if some of the loyalty bond could be used to run a booth at Pilot Knob to sell department stuff and our Grant Coins. No one interested.

Central Region Meeting: brothers Jim Pahl, Walt Busch, Bob Aubuchon, Craig Mathews and Marty Aubuchon registered. Other Dept members going include: Sumner Hunnewell, Dale Crandell, DC Gary Scheel, and Ed Krieser. Fun time. Monument dedication that weekend. They would like those for us possible to dress our for color guard.

Sherman Day – October 24 – Who is speaking? Possibly Greg Worlk, Gary Scheel, Daughters, Bob Amsler and Jim Gallen?? A raising and lowering of the flag will be conducted during the ceremony.

56th USCT – Voted that we want the ceremony. [Walt has put in that it will be at 1pm on Nov 11 Veteran's Day] . Possible Speakers include Sarah Cato, Mark Trout and even Gen. Bagby. Color Guard honors dependent on whether we get the page of insurance from National [Walt has submitted a request.]

Department Encampment is on October 16 in Jefferson City

Christmas Party – December 7th – Greenbriar Country Club, - No Updates

Elections needed in November – Need to send out notice calling for nominations for the October meeting. Cmdr Amsler suggested and all agreed that to encourage participation in the camp and in members becoming officers that we would allow any member who is now or later successfully serves as a camp commander that they can receive at their expense (right now probably between \$80 and \$100) their own Sherman flag in a presentation box. Walt Busch makes motion with Mark Coplin as 2nd. Motion passes.

Mark Engelhardt would like us to Zoom meetings. And via e-mail motions to do so. Craig Mathews 2nd. Motion passes with Mark Coplin advising that Dan Jackson votes no. Walt will work out how and suggested that Camp buy an Acer computer that he revitalized from his Brother David's estate. Said would take \$70 and camp decided to buy it for that.

It was reported that on Sep 17 there will be a ceremony at US Grant NHS (White Haven) to begin the petition drive to promote US Grant to General of the Armies.

Mark Coplin reports that John Avery is at Mercy Rehab (now home?).

Marty Aubuchon reported a long list of stuff that he suggested we go over. We moved that since he wasn't there that all of the items are tabled until he shows up to make the motions.

We discussed pavers at Sherman Grave to help fix up the area. Cmdr Amsler to check with the church on their agreement we can do that. On motion by Walt Busch and second by Craig Mathews to expand the Sherman Flag fund we have to keep changing the flag out to be expanded to include upkeep and improvements to the area of Sherman's Grave and Flagpole. Passes

Marty commented on Inks Cemetery. Bob AuBuchon has consistently kept up the cemetery. Walt motioned and Mark Coplin seconded that Bob AuBuchon is the one who spearheads working at Inks Cemetery.

Walt's Report for the 11/09/2021 US Grant Camp 68 Meeting

SECRETARY-TREASURER'S REPORT

1. DUES ARE NOW BEING TAKEN FOR THE 2022 YEAR. Dues are still \$35.00 (unlike the US Government there has been no inflation here since about 2001)! If you are an SVR member or want to be one, or just want to donate to our SVR fund, the dues to include with your \$35 are just \$3 (\$5 for officers). So most members pay, if they want both memberships, only \$38.00. Make check to: **"US GRANT CAMP 68"**. Mail it to me (please don't include US Grant Camp in the envelope address, it confuses the postal authorities and may wind up in the dead letter mail (believe me it happens). My address is: Walt Busch, 1240 Konert Valley Dr, Fenton, MO 63026. If you have any information you need updated (e-mail, new address, etc), please include that information to me.

ONE NOTE TO THIS: Some members are interested in doing supplemental memberships like the Sons of the American Revolution do. National charges only \$10. Since these have to come through us and the department, our camp has said that effective 1-1-2022, we will also charge a \$10 processing fee. So you still have time to save yourself \$10! IF doing this, you need to send in the documentation, a Form 3 membership application, and since this is a supplement to your current membership, you will have to pay for your \$35 membership at this time as well. You pay only one time for a supplemental membership though.

2. MAKE SURE YOU FOLLOW THE ZOOM MEETING FORMAT SO THAT PEOPLE ON ZOOM HAVE CHANCE TO INPUT ON BUSINESS!
3. I haven't recently provided a detailed account of the Sherman Flag Fund, the Equipment Fund and what I have "donated" this year to be used to pay brothers' dues. It is included here. All books currently balance. Please note that the equipment fund is a little low. If you want to earmark a donation to something, we buy items we can use in ceremonies or presentations with this fund. To date, we have a projector, computer, movie screen, boom box and probably one or two other items that elude me at the moment.

4. My Activities, besides working on computer for Sherman & Veterans Day

9/2/2021 Speech at Roundtable Discussion Group about 15 people. Sold some Encampment Stuff
